

CC Shambots Robotics Team

Detroit Catholic Central High School 27225 Wixom Road, Novi, MI 48374

2019 – 2020 School Year

Dear CC Shambots Supporter,

We would like to introduce you to the Detroit Catholic Central Robotics FIRST Robotics team, the **CC Shambots FRC 5907**. The team consists of a large group of dedicated students who compete in FIRST Robotics (For Inspiration and Recognition of Science and Technology) in the FRC division. FIRST Robotics is designed to inspire high school students to explore career opportunities in the fields of business and STEM (science, technology, engineering and mathematics). We are currently on a quest for sponsors and mentors to support our team for the **2019-2020 competition season**.

There are approximately 50 students involved in CC robotics this year. This number is growing every year as more and more students hear about the incredible opportunities that robotics provides them. One of these opportunities comes through the experienced adults who volunteer to mentor our FIRST robotics students and guide them through the process of solving complex and challenging problems in a fun, engaging atmosphere. The students perform the entire process with the support and guidance of the mentors.

Robotics is an exciting program, but it is expensive to participate in. Our team is seeking funding to cover the cost of the robot starter kits we purchase, additional parts, tools and equipment, competition registration costs and other expenses. Our robotics program budget is approximately \$60,000 annually. This comes through corporate donations and sponsorships as well as from participating family and individual sponsorships. Your company may be able to offer financial support for our success. Many firms in the metro Detroit area have dedicated FIRST robotics sponsorship programs that simply require an employee to have some affiliation with a team. Our team can handle completing the necessary applications. We also appreciate donations of tools, raw materials, technical support and professional expertise. All contributors are recognized throughout the season both online and at competitions and are tax deductible contributions to Detroit Catholic Central High School.

Please see the attached form for more information. If your company has its' own application form for sponsorships, we are happy to complete that application. Thank you for your interest in the CC Shambots! We look forward to welcoming you or your company as one of our sponsors.

Sincerely,

Heather Vingsness, Head Coach, CC Faculty, 734-245-9797, hvingsness@catholiccentral.net

Wende Boerema, Business Mentor, 248-459-2267 boeremacrobotics@gmail.com
